

SEED 2009  
Exhibits  
as of 9/8/09

| <b>Organization</b>   | <b>Exhibit Title</b>                           |
|---|--|
| Aiken Backyard Hobby Beekeepers                               | Beekeeping: A Rewarding Hobby                  |
| Aiken Center for Alcohol and Other Drug Services              | Aiken Center's Drug Identification Board       |
| Aiken County Government                                       | Aiken County Storm Water                       |
| Aiken County Government                                       | Aiken County Recycles                          |
| Aiken Gem, Mineral, and Fossil Society                        | Minerals & Fossils to Learn By                 |
| Aiken High SAMS Club (Students Applying Math and Science)     | Outrageous Origami                             |
| Aiken High SAMS Club (Students Applying Math and Science)     | Outrageous Origami                             |
| American Chemical Society                                     | It's Elemental!                                |
| American Nuclear Society/Health Physics Society               | Basics of Radiation                            |
| Annette Beeler  | Quarter Horse                                  |
| ASM International - Savannah River Section                    | Materials on Ice                               |
| Astronomy Club of Augusta                                     | Telescopes on the Lawn                         |
| Clariant Corporation  | Colored Paper                                  |
| Clemson University Geology K-12 Outreach                      | Discover South Carolina                        |
| Columbia Marionette Theatre                                   | Litter Trashes Everyone-Puppet Show            |
| Cytec Industries, Inc.  | Get Slimed                                     |
| Department of Chemistry and Physics, USCA                     | Forensic Field Testing                         |
| Department of Mathematical Sciences, USCA                     | Department of Mathematical Sciences, USCA      |
| Dr. John F. Jarvis  | Computer History and Technology                |
| DuPont Planetarium  | Planetarium Shows                              |
| Fort Gordon   | Static Satellite Display                       |
| Fort Gordon Environmental Management Division                 | Mapping Our Environment                        |
| Johannes Kepler Project                                       | Kepler Live!                                   |
| Kimberly-Clark Corporation                                    | Paper Making                                   |
| Media Services  | The Weather Channel                            |
| National Science Center's Fort Discovery                      | Science Displays                               |
| National Weather Service                                      | National Weather Service                       |
| NBC Augusta   | Our Vertical Atmosphere                        |
| North Aiken Elementary  | Moving with Magnets                            |
| Rainbows Tie Dye  | Rainbow Tie-Dye-a-T                            |
| RPSEC   | Straw Towers Competition                       |
| Ruth Patrick Science Education Center                         | Cold Blooded Creatures                         |
| Ruth Patrick Science Education Center                         | Ravenous Raptors                               |
| Savannah River Chapter of the Health Physics Society          | Basics of Radiation                            |
| Savannah River Ecology Laboratory                             | Hidden Biodiversity                            |
| Savannah River National Laboratory Glass Apparatus Laboratory | Scientific Glassblowing                        |
| Savannah River Nuclear Solutions, Area Completion Projects    | When Soil gets Dirty...Edible Earth Parfait    |
| SC DHEC Indoor Radon Program                                  | Radon Awareness                                |
| South Carolina Aquarium                                       | Bird Beaks of the Salt Marsh                   |
| South Carolina Dept. of Health & Environmental Control        | Aquatic Insects as Indicators of Water Quality |
| South Carolina Dept. of Health & Environmental Control        | Radioactive Hide and Seek                      |
| South Carolina Dept. of Health & Environmental Control        | Mining and Reclamation in SC                   |
| Southeastern Natural Sciences Academy                         | After School Science Clubs                     |
| Southern Nuclear/Plant Vogtle                                 | Table Top Display                              |
| Spirit Creek Educational Forest-Georgia Forestry Commission   | Southern Pine Beetle Exhibit                   |
| SRNS Geotechnical Engineering                                 | Earthquakes in South Carolina                  |
| Student Nurses Association                                    | Chokin' Charlie                                |
| USCA Dance Team   | Refreshments                                   |
| USCA Dept. of Exercise & Sports Science                       | Exercise Science Fitness Measurements          |
| USCA Education Majors Club                                    | Paper Chromatography                           |
