Ruth Patrick Science Education Center

Cub Scouts	Leave No Trace Awareness World Conservation
Webelo Scouts	Naturalist Forester Leave No Trace Awareness World Conservation Geologist Scientist
Boy Scouts	Forestry Soil and Water Conservation Environmental Science Insect Study Mammal Study Reptile & Amphibian Study Geology Nature Astronomy Chemistry Weather
Eagle Scouts	Service Projects

Led by trained professionals, scouts will be guided through most or all requirements for the badges at the Ruth Patrick Science Education Center on the campus of University of South Carolina Aiken or other location as required by the badge or troop. Most badge and award programs are 3 hours long and require a minimum of 10 scouts to run. The fee is \$15/scout. These can be scheduled year round unless there are seasonal limitations on badge requirements.

For more information or to register your troop, please contact Shannon Unger, Program Specialist, at ShannonU@usca.edu or 803-641-3769.
