

Kindergarten South Carolina Programs

MONTHLY PROGRAM PAIRINGS

JANUARY & FEBRUARY	APRIL & MAY
*In My Backyard Exploring Our Senses Insect Inspectors	*In My Backyard Turtle Talk All Sorts of Sorting

PLANETARIUM PROGRAMS

IN MY BACKYARD Months offered: JANUARY, FEBRUARY, APRIL, MAY

Join Fred Penner from TV's Nickelodeon as he explores his backyard searching for both things large and small. We will also learn about the reason for seasons, colors in the rainbow and even count together. This show is geared towards the youngest stargazers and encourages exploring your own backyard with fun songs and audience participation! Standards: K.L.2A.6, K.E.3A.3

DISCOVERY PROGRAMS

ALL SORTS OF SORTING Months offered: APRIL & MAY

Classify all sorts of objects by observing similar properties in this hands-on, discovery program. Students will describe and sort a variety of items using one or more attributes including size, shape, color, pattern, and texture. Standards: K.L.4A.1, K.L.4A.2

EXPLORING OUR SENSES Months offered: JANUARY & FEBRUARY

What do our five senses tell you about the world around us? Let's find out as we explore all of our senses with fun, cooperative sensory activities. Test your eyes with optical illusions, listen for mystery sounds, explore touch with unknown objects, sniff out every day smells and use your taste buds to guess the flavor of different jellybeans. Standards: K.P.2A.4

INSECT INSPECTORS Months offered: JANUARY & FEBRUARY

Students will learn about the major body parts of insects, observe live insects and test different insect "mouth parts" at feeding stations. Standards: K.L.2A.1, K.L.2A.3

TURTLE TALK Months offered: APRIL & MAY

Let's talk turtles and learn all about the needs of these unique vertebrates. We will explore how land tortoises and aquatic turtles are alike and different and participate in hands-on turtle stations. Students will observe live box turtles, aquatic sliders and a snapping turtle. Standards: K.L.2A.1, K.L.2A.3, K.L.2A.5, K.L.2A.6
